

WALL MOUNT STORAGE CABINET

Storage with flexibility for a shop's changing needs

The Wall-Mount Storage cabinet features a heavy-duty steel construction with two adjustable Alu/Zinc storage shelves plus a locking provision. The cabinet is designed to be wall-mounted for space challenged mixing rooms for painters to store unused paint, supplies, and spray guns with the optional gun rack holder.

WALL MOUNT STORAGE CABINET

Dimensions: W 35" x H 30" x D 10.5"
Net Weight: 59 lbs.

WALL MOUNT STORAGE CABINET FEATURES

- Shipped fully assembled with two storage shelves already in-place (can be adjusted)
- Powerful magnets to ensure the doors stay closed when needed
- Alu/Zinc storage shelves for easier cleaning from paint spills
- Durable powder coated finish with branding opportunities on the front doors
- Optional Spray Gun Holder

Dimensions: L 34" x D 6.5"
Net Weight: 4 lbs.

OPTIONAL SPRAY GUN HOLDER A mounting bar for storing paint guns

Mise en place is a French culinary phrase that means, "putting in place" or "everything in its place" and is often spoken in the kitchens of fine restaurants. Well, for the professional painter the same equally true especially for spray gun storage.

- Universal cut-outs to fit all popular spray gun brands
- Durable and lasting powder-coated finish
- Mounts inside the cabinet without tools
